

4th Edition of the Saudi International
Pharma Expo 2025

12 - 14 Nov, 2026
RICEC

4th Edition of the Saudi International Pharma Expo 2026

SIPE 2026 will provide an opportunity for the participating companies to display their products & services to the gamut of visitors; globally from pharma and healthcare industries. The 3-day expo will bring together eminent personalities from various sectors of pharma; non-pharma and healthcare industries.

SIPE 2026 is aimed at bringing together all the pharma professionals under one roof; the pharmaceutical exhibition focuses on knowledge, technology and business development.

The Expo showcases the latest inventions and developments in the laboratory technology and brings together the leaders in the medical laboratory industry, aiming to create maximum interaction and meeting opportunities Where manufacturers, dealers and distributors can promote their brands, meet potential customers and entertain existing clients.

If you're looking to find products, make new investments, gain new knowledge or strengthen business ties with the global clinical laboratory market, we are definitely your right destination

**Exhibition Attracts more than
5,000 Visitors**
from all over the world

Why Exhibit?

Build relationships that will propel your business, The Saudi International Pharma Expo will bring you face-to-face with the entire spectrum of medical laboratory industry professionals in order to maintain and grow existing relationships, the Saudi International Pharma Expo turns on the spotlight for your business

The Saudi International Pharma Expo is the only platform that brings together local and international companies that specializes in the manufacture and marketing of medicines in the Kingdom of Saudi Arabia. The previous exhibition have succeeded to reach most of those who work and have interest in the pharmaceutical sector.

The sponsorship of the Ministry of Health for the activities of the exhibition makes it a unique opportunity for the participants to communicate with officials, businessmen and investors in the health sector, expand their work activity and conclude new agreements with both public and private sectors.

Yearly, the exhibition attracts more than 5,000 visitors from all over the world as well as executives from drug factories. Pharmacies, hospitals and health centers from the Kingdom and abroad.
